August 29, 1974.

Mr. G. R. Jenkins,
Box 123,
Hazeldean, Ontario.

Dear Mr. Jenkins:

Thank you for your letter of August 15, 1974.

I would be happy to recommend your re-admission to the D.P.A. program for the fall term of 1975. I will not do so at this time, however, since you are not intending to register until fall 1975 and would consequently lose status again in the next twelve-month period.

I would suggest that you write a letter of appeal next year at this time. Then I will recommend your re-instatement to the Faculty of Graduate Studies and Research and you will be permitted to register in the Fall term 1975.

Yours sincerely,

G. Bruce Doern,
Director, School of
Public Administration.
